

2017 Pharmacy Legislative Day
UNDER THE DOME

2017 PHARMACY LEGISLATIVE DAY

Join hundreds of pharmacy professionals at the State Capitol on March 15, 2017!

Represent your profession and speak directly to legislators and staff regarding the critical issues facing pharmacists. It is vital that your legislators become more knowledgeable on the role of pharmacy in augmenting healthcare.

Learn about key issues and how to discuss them with your legislators. Join your fellow pharmacists and become part of the solutions. Don't miss this opportunity to let your collective voices be heard!

Jointly sponsored by Illinois Pharmacists Association and Illinois Council of Health- System Pharmacists. For the past eight years, IPhA and ICHP have joined forces to let lawmakers know that pharmacists stand united.
