PTCB requires CPhTs to earn only pharmacy technician-specific (‘T-specific’) credit to qualify for recertification. In addition, PTCB allows 5 hours of in-service training, however, no inservice training will qualify for CE starting in 2018. Please advise all pharmacy technicians at your site of these requirements.

FACULTY DISCLOSURE: It is the policy of the Illinois Council of Health-System Pharmacists (ICHP) to ensure balance, independence, objectivity, and scientific rigor in all of its education programs. In accordance with this policy, faculty must disclose to the participants any significant relationships with commercial companies whose products or devices may be mentioned in faculty presentations, or with the commercial supporter of these continuing pharmacy education programs. These disclosures will be available at the program.
