FACULTY
Michael Fotis, RPh
Lecturer
Northwestern University Feinberg School of Medicine
Chicago, Illinois

REGISTRATION INFORMATION
This program is made available to ICHP Champion sites and is free to ICHP members. Non-members may attend but if they wish to receive CPE credit, must register online at ichpnet.org and pay a fee of $12.50. Non-members who register will then be uploaded to the online evaluation and CPE site. Those wishing to receive continuing education credit must complete an online evaluation in order to receive credit. Additional details on registration and the evaluation process will be available online. Dialing instructions and meeting handouts will be sent to the ICHP Champions two weeks prior to the program.

TARGET AUDIENCE
Health-System Pharmacists

LEARNING OBJECTIVES FOR PHARMACISTS
1. Describe a method to conduct discussion sessions that promote student directed learning.
2. Explain how to set up a discussion session which promotes critical thinking when assessing published literature.
3. Outline a method for students to demonstrate critical thinking skills during a case based discussion.

This program is provided by the Illinois Council of Health-System Pharmacists. The Illinois Council of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is equivalent to 0.5 contact hour (0.05 CEU) of pharmacy continuing education.

ACPE Universal Activity Numbers: 0121-0000-16-088-L04-P
Type of Activity: Knowledge-based

PTCB now requires CPhTs to earn only pharmacy technician-specific (‘T-specific’) credit to qualify for recertification. As of January 1, 2015, ALL CPE credit earned must be T-specific. In addition, PTCB will reduce the number of allowable CPE hours earned through in-service training from 10 to 5. Please advise all pharmacy technicians at your site of this change.

FACULTY DISCLOSURE: It is the policy of the Illinois Council of Health-System Pharmacists (ICHP) to ensure balance, independence, objectivity, and scientific rigor in all of its education programs. In accordance with this policy, faculty must disclose to the participants any significant relationships with commercial companies whose products or devices may be mentioned in faculty presentations, or with the commercial supporter of these continuing pharmacy education programs. These disclosures will be available at the program.

This program will be recorded and available for home-study! To view the recorded program either individually or with your staff at your convenience, go to http://ichpnet.org/about_us/champions/champion_homestudy_webinars.php.
