LEGISLATIVE AND REGULATORY UPDATE-

In case you didn't read last month's Champion News Brief we are reminding you that as of the November 12th Board of Pharmacy Meeting's announcement, **both pharmacists and certified pharmacy technicians will need to complete 1 hour of CE credit on the prevention of sexual harassment for their March, 2019 license renewals.** This will be the first time that certified pharmacy technicians will need to provide attestation that they have completed their 20 hours of CE during the last 24 months and the first time for the new additional requirement of the one-hour for sexual harassment. **Make sure your staff is aware!**

The good news is that ICHP has got your back! ICHP member pharmacists and certified pharmacy technicians may [CLICK HERE](#) and sign in to the ICHP website to obtain free access to the **Free Sexual Harassment Prevention CE program**

provided by ProCE. Non-members may access the program for a \$14.50

fee or they may join ICHP at a new member discount of 20% and then obtain free access to the program. **Please share with all you colleagues and pharmacy friends!**

As for other legislative and regulatory activities, the holidays of December and New Year's have kept things very quiet. Thank goodness!
