### **ICHP is bringing the RPDC to the Midwest during the ICHP 2017 Annual Meeting**

Friday, September 15, 2017 | 8:00am to 5:30pm

Oakbrook Terrace, IL

---

This workshop will apply to all types of new and existing residency programs, program directors, preceptors and residents.

We will review accreditation standards for the design and conduct of a residency program, including requirements related to program purpose, competency areas, goals and objectives, program structure, learning experiences, orientation, use of preceptor roles, evaluation, resident development plans, and continuous residency program improvement.

Participants may bring materials from their program for review during the workshop.

Take advantage of the opportunity to have your questions answered and share ideas with your fellow participants.

All Illinois Residency Programs are welcome to have their residency directors, residents and preceptors attend at either a discounted member price (if a member of ICHP) or a non-member price. Residency program directors, residents and preceptors from outside Illinois may attend at the member price.

---

The ICHP Residency Showcase will be held on Saturday, September 16th from 1 to 3pm. So if you plan to have a booth at the Showcase, why not attend the RPDC the day before?

Enjoy discounted Annual Meeting attendance for Thursday, September 14 and/or Saturday, September 16, 2017 in addition to the RPDC program on September 15th.
