#### 8.02.03 CPE Activity Planning Guidelines

- a. The Division or Subcommittee of the Division, in collaboration with the ICHP staff, shall select the dates and locations for each state-wide meeting at least one year in advance of the Annual and Spring meetings, and at least 4 months in advance of other CPE activities. The planning committee and the ICHP staff approve the location after conducting a comprehensive site inspection.
- b. The Division, or Subcommittee of the Division, selects topics for CPE activities as needed, obtaining membership input from previous educational program evaluations or a bi-annual needs assessment of the general membership.
- c. The Director of the Division or Subcommittee Chair outlines each division or subcommittee member's duties in a planning calendar at least six months ahead of the scheduled state-wide CPE activity date.
- d. The Division or Subcommittee with the help of ICHP staff prepares a budget for incorporation into the annual ICHP budget process which includes a comprehensive break down of all anticipated expenses and revenues. The ICHP Board grants final approval of the budget.

- e. The Director of the Division or the Subcommittee Chair assigns the responsibility of contacting appropriate speakers to specified members. The member confirms the speakers' level of expertise on the selected topic, availability to present, final topic of presentation, format for presentation, anticipated honoraria and travel considerations, potential sources of educational grants to support the speaker, and other speaker specific or presentation requirements as specified by ACPE. Speaker identification can be done through a call for presentation or authorship. Faculty are selected based upon their knowledge of the subject matter; experience and teaching ability; and ability to meet the educational needs of the pharmacists and/or technicians.
- f. The ICHP staff sends each speaker a letter of confirmation , and the speaker/author handbook which includes a request for each of the following with an expected due date: curriculum vitae, speaker/author worksheet with learning objectives, needs assessment and gap analysis, active learning methods, conflict of interest declaration, participant self-assessment tools, audio-visual equipment requirements if applicable, completed speaker/author introduction form, and handout/manuscript materials.
- g. Speakers are solicited by Division members to prepare pre and post-tests, case studies, or other innovative mechanisms for participant self-assessment.
- h. The Division or Subcommittee prepares a detailed meeting schedule, keeping in mind the speaker's travel requirements and meeting budget.
- i. The Division Director, Subcommittee Chair, or their designee works directly with the ICHP staff to prepare meeting notices and registration forms to be distributed at least two months before the state-wide CPE activity date or one month prior to other activities.
- j. The Division Director or Subcommittee Chair works with the ICHP staff to prepare each Division member's assignments in detail for their responsibilities during the state-wide CPE activity; additional volunteers may be solicited as needed.
- k. Checks for honoraria are prepared by the ICHP administrative staff following receipt of expenses. ICHP staff makes hotel and travel reservations when needed.
- l. At the conclusion of the CPE activity, Division or Subcommittee members and the ICHP staff will collect CPE activity participants' program evaluation forms.
- m. CPE activity participants are directed to an online evaluation system to evaluate speakers and to verify attendance at the CPE sessions. Credit is provided upon completing the online evaluation process for each program attended. Credit is reported to CPE Monitor in a timely manner.
- n. Pharmacists and technicians will be able to evaluate the activity in the areas of:
  - a. applicability of the CPE activity to meet their educational needs
  - b. achievement of each stated objective
  - c. quality of faculty
  - d. usefulness of educational material
  - e. effectiveness of teaching and learning methods, including active learning
  - f. appropriateness of learning assessment activities
  - g. perceptions of bias or commercialism
- o. After the CPE activity is concluded and after the evaluation submission deadline, speaker evaluations are tabulated and distributed to the speaker with any necessary guidance. General meeting evaluations and individual activity

evaluations for state-wide meetings are forwarded to the Director of the Division and Chair of the Subcommittee. Evaluations for all activities are placed in the ACPE folder in the ICHP office or stored in the on-line file for the activity.

- p. The ICHP staff pays the balance of the expenses incurred for CPE activity promotion, production, speaker travel, and miscellaneous charges for state-wide meetings.
- q. The ICHP Continuing Education Administrator coordinates the maintenance of all records in a standard format and in accordance to ACPE Criteria for Quality.
- r. For any ICHP sponsored CPE activity, one contact hour or 0.1 CEU shall be equivalent to 60 minutes of educational activity. No program may be accredited for less than 0.25 contact hour or 0.025 CEU. Application-based activities must be a minimum of 60 minutes. Knowledge based activities may be 15 minutes or longer. ICHP does not provide practice-based or certificate programs.

#### 8.02.04 Home-Study Program Guidelines

- a. All ICHP home-study continuing pharmacy education programs shall be developed by the Division, a Subcommittee of the Division or a designated committee such as the Pharmacy Tech Topics Steering Committee.
- b. The topics for home-study programs should be selected based on Division, Subcommittee, and member input using previous live and home-study program evaluations, current literature evaluations and the bi-annual educational needs assessment.
- c. The authors of the home-study program shall be solicited by the Division Director, Subcommittee Chair, Division member, ICHP staff or designated committee based on Division or Subcommittee recommendations and/or status as a regionally or nationally recognized expert in the field.
- d. Educational goals and learning objectives of the home-study program will be presented in the initial program information to provide the participant with measurable expectations upon completion.
- e. Each home-study program will provide the participant with a self-assessment tool in the form of post-test, case-study, or other innovative means to assure satisfactory completion of the home-study program. Assessments methods should address each learning objective, be appropriate for the activity type and for the participant type..
- f. The assignment of credit for home-study programs will be based on either a peer, division subcommittee, or ICHP staff review process. The average time required to complete the home-study course including the self-assessment tool and program evaluation will be documented and equivalent contact hour and CEU credit will be assigned. (One contact hour or 0.1 CEU is equivalent to 60 minutes of educational activity.)
- g. Every home-study program will provide the participant with a means to evaluate the program. This will provide ICHP and the author(s) or speaker(s) with appropriate feedback and future topics for presentations. Refer to 8.02.03.n above.
- h. All ICHP sponsored home-study programs will meet the ACPE CPE Standards. The responsibility of assuring this lies with the authors/speakers, CEA, ICHP staff, the Division Director, and/or Subcommittee Chair.

- i. The ICHP CEA coordinates the maintenance of all records in a standard format and in accordance to ACPE Criteria for Quality.

#### 8.02.05 Subcommittees of the Division of Educational Affairs

- a. Educational Meeting Subcommittee is responsible to plan, conduct, and evaluate the ICHP Annual Meeting, Spring Meeting and other statewide educational offerings. Refer to Annual Meeting Guidelines (16.00). The Pharmacy Tech Topics Steering Committee is responsible for identifying topics and authors for that educational service.

#### 8.02.06 ACPE Accreditation of CPE activities

- a. It shall be the policy of the Illinois Council of Health-System Pharmacists to place in writing all agreements and responsibilities regarding joint educational ventures with other state pharmacy societies or other continuing education providers, including local affiliates.
- b. It shall be the policy of the Illinois Council of Health-System Pharmacists to provide refunds for cancellation of registration for continuing education programs only when a written request is received at least 14 days prior to the date of the program or as described in the program announcement. ICHP may also provide refunds subsequent to receipt of a participant's grievance concerning educational program content. The refund for grievance is granted only after review in accordance to ICHP's Policy and Procedure for Educational Grievances. All Refunds shall be subject to printed refund policies on promotional materials. From time to time specific program refund policies may vary.
- c. Criteria for ACPE accreditation of programs:
  - 1. It shall be the responsibility of the joint-provider to prepare a program that completely meets the ACPE CPE Standards with input from the ICHP Educational Meeting Subcommittee and/or the ICHP CE Administrator.
  - 2. When the ICHP ACPE Administrator or their designee is unavailable, the ICHP Educational Affairs division will review all jointly-provided educational programs.
  - 3. A written program outline must be submitted to the ACPE Administrator or ICHP Educational Meeting Subcommittee at least 45 days prior to the date of the program. Materials submitted must include, but are not limited to, the completed faculty/speaker handbook documents including:
    - a. A copy of draft of the program announcement
    - b. Fee for the program (if applicable)
    - c. Names of speakers and curriculum
    - d. Educational objectives
    - e. Target audience
    - f. Curriculum vitae
    - g. Signed joint-provider agreement(s) (if applicable)
    - h. Commercial support agreement(s) (if applicable)
  - 4. All target audiences will receive printed or e-mailed promotional materials that shall include the required ACPE announcement items:
    - a. Educational Objectives
    - b. Target audience (Pharmacists and/or Pharmacy Technicians)

- c. ACPE provider statement identifying ICHP as the approved provider, ACPE logo, and Universal Activity Number
- d. Notice that ICHP is a provider of the program and the other provider's name,
- e. Registration fee (if applicable)
- f. Refund policy (if applicable)
- g. Speaker(s) Name and credentials and position/title
- h. Activity type (knowledge or application)
- i. Full ACPE Universal Activity Number assigned, including audience indicator P and/or T.
- j. Requirements to receive credit
- k. Acknowledge of any financial support
- l. Amount of CPE credit in contact hours or CEUs
- m. Schedule of educational activities
- n. Home Study must also include release and expiration dates

Some promotional items that remind or announce the planning of an educational activity may omit some of these items for space savings but at least one promotional announcement should contain all of the above items.

- 5. Provisions shall be made by ICHP and the joint-provider to assure that at least one member of the ICHP Educational Meeting Subcommittee, the ACPE Administrator, or the local affiliate CE Coordinator participate in the CE program with foreknowledge of the program originator. The purpose of participation is to observe the program and offer a critique.
- 6. A pre-test and post-test are recommended or other self-assessment tool along with a program evaluation form for all participants is required.
- 7. The ICHP CEA will notify the joint-provider of acceptance or rejection for ACPE accreditation within two weeks of receipt of all requested materials in writing (email or USPS). Copies of all correspondence will be maintained in the ACPE file for that activity.
- 8. Review procedure will call for the above submission of materials to be made in a separate mailing to each ICHP Educational Meeting Subcommittee member (if applicable). ICHP Educational Meeting Subcommittee members must submit their recommendations to the Director of Educational Affairs or the CEA within one week of receipt of the materials. Committee make-up will be such that there will be members from all potential target audiences and local affiliates so that attendance at state-wide CE program(s) may be made on a rotation basis.
- 9. ICHP will provide all local affiliate Presidents with an outline of ACPE CPE Standards.
- 10. A registration fee may be charged for any program based on the overall budget and other considerations of the planning committee for that program. (Also reference non-member disclaimer language in Section 8.02.Appendix D)
- 11. The fee may reflect differential pricing based on membership of the participant in ICHP or other Joint-provider organization. The joint-provider organization must approve all registration fees prior to program approval.

## APPENDIX A

### Policy on Joint-providership of Continuing Education Programs

Policy: The Illinois Council of Health-System Pharmacists, through its Division of Educational Affairs and the ICHP Office, jointly-provides continuing education opportunities for pharmacists and pharmacy technicians by actively working with other educational providers to design, develop, and implement quality continuing education learning experiences. Commercial interests may not serve as joint providers. The following procedures govern provision of CE through programs jointly-provided with other CE providers, both ACPE approved and unapproved.

1. ICHP, through its Division of Educational Affairs or the ICHP staff, shall be an active participant in planning and implementing any jointly-provided continuing pharmacy education activity.

2. An agreement detailing the exact responsibilities of the joint-provider and the Council shall be issued prior to approval of a continuing education program by either party. Final approval of joint-providership shall be made by the ICHP CEA.

3. Program Quality:

With regard to continuing education programs jointly-provided by ICHP, the Council shall insist on all of the following elements:

- a. Selecting and/or approving the topic(s) and content to be presented;
- b. Selecting and/or approving the goals and objectives of the program;
- c. Insuring that topic(s) discussed are covered in a unbiased manner;
- d. Selecting and/or approving the speaker(s) for the program;
- e. Designing and printing or approval of materials to be enclosed in the participants' program packages;
- f. Selecting or approving the list of participants invited to the program;
- g. Selecting or approving the time, place, and all other administrative details associated with the program;
- h. Creating or approving the format of the program "proceedings";
- i. Creating or approving the promotional materials associated with the program;
- j. Requiring an evaluation of the program and reviewing its results;
- k. Selecting or approving the method used to evaluate the program;
- l. Issuing appropriate credit to pharmacist or pharmacy technician participants.

4. Financial Relationship

- a. ICHP may charge the joint-provider an administrative fee as negotiated by the Executive Vice President, Vice President of Professional Services or ICHP CEA.
- b. ICHP shall determine the manner in which contributions to or commercial interests of continuing pharmacy education programs will be acknowledged.
- c. ICHP may obtain unrestricted educational grants from commercial interests to be used to underwrite expenses for continuing pharmacy education activities in accordance with ACPE guidelines.
- d. ICHP shall provide all travel expenses, honoraria and other related expenses for program faculty, meals, handout and promotional materials per policy.

If all requirements are not fulfilled in a timely manner, ICHP will notify the joint-provider in writing (via email or USPS) of the status of the program, the missing materials, and if the program will be cancelled or not pending receipt of all required documents and materials.

REVISED BY ICHP BOARD OF DIRECTORS AS AMENDED 11/2016.
