

CESally - ICHP Visual Guide to Process On Demand CE Credit - v3 - 8.28.2026

You must create an account on CESally.com first. Once you have an account set up, LOG IN to your account when you are ready to process your CE credit. ICHP members must LINK their account to ICHP to access Free member on demand programming. See instructions on ICHP website under Credit Process.

ADD to To Do List

The screenshot shows the CESally website interface. At the top, there is a navigation bar with tabs: 'Featured CE', 'To-do List 1', 'Saved for Later 1', and 'Your Account'. Below the navigation bar is a search bar with the text 'sexual harassment' entered. A blue arrow points from the search bar to the 'Add checked to To-do List' button. The search results are displayed below, showing three items:

- Pharmacists - Sexual Harassment Prevention Training - Home Study for ICHP Members Only**
ICHP: 2023 Implicit Bias + Sexual Harassment Programs for ICHP Members & Non-Members

Once you have added to do List, click on To Do List tab at top of webpage.

The screenshot shows the CESally website interface with the 'To-do List' tab selected in the navigation bar. The navigation bar now shows: 'Featured CE', 'To-do List 2', 'Saved for Later 1', 'Your Account', and 'Admin'. Below the navigation bar is a search bar with the text 'Search by name, event, number, etc.'.

CESally Visual Guide

When you open your To Do List you will see all the programs you have added so far.

If you Start To-do List with multiple programs in the To-do List, you will need to complete all the steps for each part of the process for each program.

Use small Check boxes next to each title to delete a program from your To-do List for now, OR to Save for Later, if you want to complete only one program for credit at a time.

Then click on Start to do List.

Pharmacists - The Explicit Impact of Implicit Bias on Healthcare - Home Study for ICHP Members Only ICHP: 2023 Implicit Bias + Sexual Harassment Programs for ICHP Members & Non-Members Presented: Feb 1, 2023 at 12:00 pm Please complete this post-test. 1. A family practice practitioner has a clinic which sees patients of all ages (newborns to older adults). Maya, an 86 year old female states that in the past few months she feels lonely, has less energy, and feels apathetic at family gatherings. She complains of anhedonia and decreased appetite. The pharmacy resident asks the physician about the potential of treating Maya's depressive symptoms, and the physician responds "It's a Normal Part of Aging, I See It with Everyone" True or False - The following scenario would be considered an implicit, not, explicit bias? Is this True or False? ☐ True ☐ False 2. Which of the following plays a role in the formation of implicit biases? ☐ Past encounters and experiences ☐ Practice of mindfulness ☐ Family upbringing ☐ A and C 3. Which of the following best describes an example of systemic racism in which one can improve health equity? ☐ Challenge self to assess and reflect on your own implicit biases	→ Post-test Evaluation Verify Participation Report CE Finalize CE ACPE: Submission Confirmation Remove for now Remove completely

Technicians - Precepting and Teaching in 2021: Implicit Bias, Microaggressions, and Systemic Racism in Healthcare - Recorded at ICHP Annual Meeting for ICHP Member Home Study on September 23, 2021 ICHHP: Implicit Bias Home Study Programs for ICHP Members Presented: Sep 23, 2021 at 12:00 pm Please complete this post-test. 1. You are accompanying your elderly aunt to her doctor's appointment after she was recently discharged from the hospital with AKI. The physician states that if her renal function does not recover, they may need to consider permanent dialysis. When you ask if this could be home dialysis instead of going into a clinic, the physician responds, "my guess is home dialysis won't work for someone like her." Was there a microaggression? ☒ Yes ☐ No 2. How can you respond to this potential microaggression? ☐ Don't address it ☐ Be direct, i.e. "You are being rude." ☒ Inquire, i.e. "I'm curious, what makes you say that?" ☐ Use threatening impact, i.e. "I want another physician" 3. Which of the following represents in-group (similarity) Bias? ☐ Choosing a physician because of geographic proximity to your home ☐ Asking your best friend to be your partner for a group project from your Pharmacy Patient Skills class ☒ Sitting next to another individual in a large lecture hall because they are the same ethnicity.
