

Illinois Council of Health-System Pharmacists

CHAMPIONS PROGRAM

Pumping the Breaks in Pain Management: An Update on Cardiovascular Risk with NSAID Use

LIVE WEBINAR

January 17, 2018 | 12:00 PM

FACULTY

Elizabeth Van Dril, PharmD, BCPS

PGY2 Ambulatory Care Pharmacy Resident

Midwestern University Chicago College of Pharmacy

REGISTRATION INFORMATION

This program is made available to ICHP Champion sites and is free to ICHP members. Non-members may attend but if they wish to receive CPE credit, must register online at ichpnet.org and pay a fee of \$12.50. Non-members who register will then be uploaded to the online evaluation and CPE site. Those wishing to receive continuing education credit must complete an online evaluation in order to receive credit. Additional details on registration and the evaluation process will be available online. Dialing instructions and meeting handouts will be sent to the ICHP Champions two weeks prior to the program.

TARGET AUDIENCE

Health-System Pharmacists

LEARNING OBJECTIVES FOR PHARMACISTS

1. Explain the proposed mechanism for the increase in cardiovascular risk with NSAID use.
2. Describe the historical context and findings of primary literature examining the cardiovascular risk associated with NSAID use.

This program is provided by the Illinois Council of Health-System Pharmacists. The Illinois Council of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is equivalent to 0.5 contact hour (0.05 CEU) of pharmacy continuing education.

ACPE Universal Activity Numbers: 0121-0000-18-006-L01-P

Activity Type: Knowledge-based

PTCB requires CPhTs to earn only pharmacy technician-specific ('T-specific') credit to qualify for recertification. In addition, PTCB allows 5 hours of in-service training, however, no inservice training will qualify for CE starting in 2018. Please advise all pharmacy technicians at your site of these requirements.

FACULTY DISCLOSURE: It is the policy of the Illinois Council of Health-System Pharmacists (ICHHP) to ensure balance, independence, objectivity, and scientific rigor in all of its education programs. In accordance with this policy, faculty must disclose to the participants any significant relationships with commercial companies whose products or devices may be mentioned in faculty presentations, or with the commercial supporter of these continuing pharmacy education programs. These disclosures will be available at the program.

This program will be recorded and available for home-study! To view the recorded program either individually or with your staff at your convenience, go to http://ichpnet.org/about_us/champions/champion_homestudy_webinars.php.
