First real meeting is this Friday coming up. Will look at mandatory counseling, other initiatives such as secret shopper program and more state inspectors. 2. Bernice provided overview of “Let Your Workers Rebel” in a provided HBR article. Conformity exists because of social pressure, people become comfortable with adhering to status quo, people interpret information is self serving manner. All this leads to decrease

	<p>productivity and engagement and innovation. Six strategies for leaders to promote constructive non-conformity. 1- encourage authenticity 2- focus employees on their strengths 3- encourage to challenge status quo 4- promote job variety 5- foster broader perspectives 6 – encourage employees to voice dissenting opinions</p> <p>3. Projects</p> <ul style="list-style-type: none"> • Collaborative Practice Agreements – Dawn and Christina Q. No updates.
