Not a huge uptake in folks that have registered, but if you cannot walk, please consider donating. Information included on the community page of the ICHP website. Two submissions for the ICHP Best Practice Award, deadline is approaching July 1. All ICHP members are qualified to submit. Spring meeting a success both financially and educationally. Annual meeting tying up loose ends, registration opens next week, three keynote speakers planned. Several webinars planned. • Hot Topics –Christie, Kristen, and Liz. In Advocate – addressing patient safety concerns, and cost avoidance. Have relied upon on a network scale how to avoid readmissions or avoid high cost medications, high risk patient medication monitoring. Started in heart failure - did a pre post 10 months, 111 patients, decreased hospitalization ~285K in savings.

4. Open Forum
5. Next Steps

Drilldown of additional measure mirrored HEDIS measures.

- **Other Project Updates**

- Am Care CE for ICHP - **Chris, Maryann, Tanmayi.**

Mary Ann led design of a proposal for a late Saturday session reviewing the Practice Acts and experiences across the country, and what we need in IL. The practice act, insurance regulation, and provider status. Look at other state experience, then compare Illinois. Develop a plan for next steps in Illinois. Per Trish, feedback is folks are interested in more networking opportunities. Scheduling patient safety, leadership, pharmacy practice, ambulatory care Thursday morning 0845-0945. Need to identify a facilitator for introductions, ice breakers. Dawn has volunteered!

- Collaborative Practice Agreements – **Dawn and Chris Q.**

Dawn contacted ASHP in April for more information on collaborative practice agreements, that information is limited to current participants on committees. Currently available for members on the ASHP website. Per Trish, we can link to the ASHP website if necessary. Dawn to connect with Chris regarding access. Recommendation made to solicit written policies/procedures from IL member participants to learn current statewide interpretations of our current PPA.

- IDPH CDC Grant Survey – **Starlin and David.**

Starlin sent an email with updates, there has been a total of 158 responses to the survey to date, seeking additional grant money to increase marketing and response rate, although concern with current IL legislative actions/events.

- ASHP IL PAI Benchmarking - **Brian and Reggie.**

Article was published in the last KeepPosted – thank you. Waiting for a response from ASHP regarding updated data. Should have good updates next call.

- Specialty Pharmacy Project TBD – **Karleen, Renee, Huda, Tanmayi, Suzanne, Bernice.**

Team met on a call earlier this week, proposed options of potential value to the group. What is specialty pharmacy? What is the role of pharmacists clinical and operations? What is the role of pharmacy technicians? What does Therigy optimization look like? Recommendation made to create comparison document to share with wider

	<p>ICHP community, in addition to facilitating a discussion for the ACN.</p> <ul style="list-style-type: none"> • QIO – Abby K. Abby provided updates is happy to share more information with the team • ICHP ACN detailed roster - Tiffany. Creating a roster, sent out via email to collate demographic information so that we can share each other’s contact information. Including years of service, special interests. Please complete and return when get a chance. • IL Pharmacy Practice Acts. Megan. Table to next call • Open Forum How is Epic Ambulatory leveraged to document pharmacist interventions? Discussion regarding use of dropping notes in the patient’s EMR, not much movement with the use of “I-vents”
IV. Next steps	If you no longer wish to participate on the network calls, please let Bryan and Ginny know and we can remove you from the email communication
