- **Taskforce** – Abby, Alex, Brooke, Brian, Christie, Liz,
Mary Ann

Standardize practice of ambulatory care in Illinois. Evaluating
why there is a gap in Illinois of pharmacists role in am care
compared to other states

- Help to open the opportunity for more clinics and the
autonomy of pharmacists within the clinics

Need to prove the value that pharmacy brings to patient care

- **Collaborative practice agreements (CPA)** – Dawn,
Christie
- **Amina:** Specialty Pharmacy Services Practice
Agreement

Umbrella agreement; streamline practice for all practices within
the specialty pharmacy service line

PHARMACY PRACTICE ACT UPDATE

Scott: reviewing work load: number of prescriptions per hour;
number of needed technicians per pharmacist; work break for
20 min if work 7 hour shift

- Mandatory electric prescribing of all prescriptions is

	<p>needed to help standardize practice</p> <ul style="list-style-type: none"> • Pharmacists administration of all medications; for example in Code Blue, pharmacist can give medications like all other staff members if others are tied up • Outpatient setting: Lovenox injection administration for patients scared to give shot—pharmacist can administer <p>IDPH CDC Grant Survey update; Initiative patient care process— Brian Compiling data from ASHP to summarize Illinois scope of practice, billing, compiling all information together to integrate the needs of the group best; will be collaborating with Mary Ann How are pharmacists approaching patient care, what is the standard of a pharmacist responsibilities in patient appointment make practice for pharmacists consistent standardize the practice/profession so we can advance our practice; there are a lot of inconsistencies throughout the country and practices; different states have more independence while others are more restricted laws, financial assistance biggest issues</p> <p>Open Forum Encourage students, residents and technicians to participate in the Annual meeting September 13-15th.</p>
	<p>If you no longer wish to participate on the network calls, please let Abby know and we can remove you from the email communication</p>
<p>IX. Next Meeting –</p>	<p>July 5, 2018 @ 12P CT Note that the dialing code is 3389197#</p>
<p>X. Adjournment</p>	<p>1:00 PM CT</p>
