

Minutes from 4/4/19

1. Welcome/Attendance
2. Introduction of New Members
 - a. Guest = Nathan Lawwill, soon to be graduating student from SIUE (with Starlin on APPE rotation)
3. March 7 Meeting Follow up
 - a. Starlin reports a group of physicians were referred to her by group members to serve as “pharmacy champions” following last month’s call for volunteers
 - b. Please continue seeking out additional “champions” – Starlin provided template form for any willing providers to fill out on our behalf (think of MD, DO, NP that you work with directly).
4. ICHP Updates – Trish
 - a. Successful spring meeting in Collinsville last week
 - i. Abby reported popularity of reverse exhibits, programming on mental health, opioids and e-pharmacy.
 - b. Planning for Annual Meeting is underway – deadline for presentation proposals is April 16th
 - c. Best practice award – deadline for submissions is July 1st.
5. Review of position statement on “Retail Healthcare Facilities” – from Professional Affairs
 - a. Will take back comments to Professional Affairs, themes centered on:
 - i. Does narrowing the locations so specifically (to supermarkets, grocery stores and mass merchandisers) potentially produce missed opportunities in the future?
 - ii. Should the pharmacist role be covered in greater scope or is this satisfied by other position statements such as “Pharmacist as Healthcare Provider”
6. Open Discussion for ACN
 - Pharmacist Credentialing – deferred to next month
7. Project Groups
 - a) Ambulatory Care CE for ICHP
 - a. Ideas for annual meeting presentations generated
 - i. Description of Klodiana’s practice at Rush
 - ii. Cardiology themes:
 1. Entresto management best practices
 - iii. Guidelines updates
 1. AFib, DM, Lipids
 2. AHRQ guidelines home
 - b. Group met after ACN meeting to refine topic list and plan proposals
 - b) Ambulatory Care in IL demographics
 - a. Meeting planned in coming weeks to establish next steps

- c) IDPH CDC Grant Survey update
 - a. Upcoming events associated with the grant project
 - b. Seeking ways to follow up initial surveys to better characterize the practicing pharmacists who responded
 - d) Ambulatory Care monthly call topics
 - a. Open call for topics – forward any that may be of interest to you
 - e) Ambulatory Care info for trainees – on hold for now
 - e) Ambulatory Care Task Force - IL PPA review
 - a. Compiling language from other states PPA
 - b. Upcoming project involving KeePosted article on PPA impact on ambulatory care pharmacy practice.
8. Open Forum
9. Next Steps
-meeting scheduling: 5/2/19
